

West Tarrant Chamber

Dear Prospective West Tarrant Chamber Member:

We are pleased and excited to offer you and your business an opportunity to join the West Tarrant Chamber. As a nonprofit 501c(6), the mission of the West Tarrant Chamber of Commerce is to promote and support local businesses while recognizing that a vibrant business climate is a requirement for a strong community. The West Tarrant Chamber economic region includes:

- To the east, the boundary is University Blvd in Fort Worth
- To the west, the boundary is the City of Aledo
- To the north, the boundaries are the cities of Lake Worth, Saginaw and White Settlement
- To the south, the boundary is Loop 820 South

There are many benefits being a Chamber member. Chief among them are opportunities to network with other business owners, learning more about other businesses around you, and promoting your business to Chamber members and their guests. We offer a variety of membership levels and we are confident that we have a level that will meet your needs.

We have a monthly luncheon. Attendance is not mandatory however you will probably miss out on some great information and networking opportunities if you cannot make it. You are welcome to bring colleagues and guests. We always have an interesting speaker on topics that either inform you about current events in your community or help you with your business. This meeting is currently held on the third Tuesday of every month. Invitations are sent out as a reminder in advance.

Once you decide to make application to join the Chamber and your application is approved, we will add your business's information to our website and introduce you to our membership at our next meeting. You will have the opportunity to make a brief presentation to the membership about your business and the type of customers that you are seeking. We can also schedule a ribbon-cutting event if you desire. You will note, in our Membership Levels document, that in addition to a variety of membership levels, we also offer a-la-carte services such as luncheon sponsorships, email blasts and others. You may choose to take advantage of some of those options to promote your business.

The next steps, if you are interested in membership are as follows: 1) complete the application, select the appropriate membership level and contact me so I can pick it up and submit it to our Board of Directors. 2) when approved by our Board, we will send you an invoice via PayPal which can be paid via credit card or you may mail a check, 3) we will schedule your presentation to our membership at your convenience during one of our monthly luncheons.

We are happy to schedule an appointment with you to review our material and answer any questions. We do look forward to joining forces with you and helping you with your business growth and success. Thank you for your consideration.
